## Parking

The center of Assen will be closed to traffic at 6:00 p.m. The Action on Wheels Arena will also be closed at 6 p.m. It is important to arrive at the Jan Fabriciusstraat between 5:00 and 6:00 p.m. Earlier is not desirable because unloading will not be possible at that time. Later is also not desirable because the track has to be built up and is therefore closed. After unloading, cars (which are not necessary in the paddock) can be parked in the Citadel parking garage: <https://www.p1.nl/parkeren/assen/parkeergarage-citadel>. The entry height is 2.20 meters. If your vehicle does not fit in the parking garage, please park it on the Havenkade after unloading, this is within walking distance of the Jan Fabriciusstraat:

## Speed

On Saturday, June 24, we will sprint from the Rolderstraat towards the Canal. Here will be driven according to the rules of the NSSC.

## Smoking and alcohol

During the entire program and as long as you have to ride as a rider, it is not allowed to consume alcohol. Smoking is not allowed near motorcycles.

## Motorcycle and car tires

At the end of the event, these should be taken away.

## Deconstruction

The program in the Action on Wheels Arena will last until 1:00 am. Other activities in the center will last until 3:00 a.m. The center will be closed to traffic until 6:00 a.m. The trial on the Jan Fabriciusstraat is closed to the public, so here the deconstruction and loading of gear can begin at 1:00 a.m. Riders standing in the paddock can't start with the deconstruction until 3:00 a.m. Leaving the area can only be done in consultation with the organisation.
